## **A Call for Volunteers for the Sotterley Garden Guild**

The Sotterley Garden Guild is in need of volunteers! The public is invited to attend the 2012 kick-off meeting on Saturday, February 4<sup>th</sup>, 2012 at 9:00 a.m. in Sotterley's Warehouse. Many types of volunteers are needed to be part of this dedicated group at Sotterley Plantation. For those with a green thumb, working in the exquisite Colonial Revival Garden will be a perfect fit. This is also a terrific way for Master Gardeners to obtain additional required hours for certifications. Green thumbs are not required, however, and talented crafters are also needed to create items for purchase at various annual events. For the detailed oriented types with strong organizational skills, the Garden Guild could really use your help. Come and discover where your talents will flourish!
